

INDEX.

VOL. VII.

1891-2.

A

	PAGE.
Accounts of Receipts and Expenditure, Session 1891-92	li
Act of Incorporation	vii
Advantages of Irrigation in India	175
Ahrbecker, H. V., Evaporative Test	121
Ahrbecker, H. V., Re-elected Hon. Sec. and Editor	xxxiv
Analysis of Coal, by H. V. Ahrbecker	121
Annual Meeting, 1891	xxxiii
Annual Report	xlv
Annual Re-union	xlii
Appendix to Rules and By-laws	xxi
Associates, List of	xxx
Ashcroft, J. W., Paper on "The Use of Iron and Steel in Building Construction"	258
Asufnggur Falls	168
Auldjo, L. C., Remarks on Marine and Pumping Engines	211
Auldjo, L. C., Remarks on Marine Engineering during the past decade	116
Auldjo, L. C., elected Member of Council	xxxiv
Automatic Hydraulic Governor, Paper by A. J. Duncan	245
Auxiliary Supply of Fresh Water	57

B

Balance Sheet, Session 1891-92	lii
Berthoud-Borel Company's Electric Mains	11
Boilers, Evaporative Efficiency of	127
Boilers, Marine	44
Brain, H., Remarks on Electric Lighting of Sydney & Suburbs	155
Broderick, H., Remarks on Ganges Canal, Upper India	177

	PAGE.
Buswell, L., elected Member - - - - -	xli
By-laws and Rules - - - - -	xiii

C

Callender, J. O., Paper by, on Underground Electric Light Mains	1
Callender Company's Electric Mains - - - - -	12
Callender, J. O., Remarks on Electric Lighting of Sydney & Suburbs	150
Centrifugal Pumps - - - - -	53
Christie, A., Remarks on Marine and Pumping Engines . - -	214
Christie, A., Remarks on Marine Engineering during the past decade	116
Christie, P. N., elected Member - - - - -	xxxix
Clift, K. S., elected Student - - - - -	xxxvi
Coal, Analysis of - - - - -	121
Coal Consumption, Table of - - - - -	74
Communications, Original- - - - -	xlvi
Comparison of Ryde and Waverley Pumps - - - - -	210
Cornish Pumping Engines, Duties of - - - - -	217
Cost of Electric Mains - - - - -	32
Council, Election of - - - - -	xxxiv
Crank Shafts, Marine Engine - - - - -	53
Crompton Company's Electric Mains - - - - -	17
Cruickshank, W. D., elected Member of Council - - - - -	xxxiv
Cruickshank, W. D., Remarks on the Use of Iron and Steel in Building Construction - - - - -	277
Cruickshank, W. D., Remarks on Marine Engineering during the past decade - - - - -	125
Cruickshank, W. D., Remarks on the Priestman Oil Engine .	189
Cruickshank, W. D., Remarks on Electric Lighting of Sydney & Suburbs - - - - -	150
Cruickshank, W. D., Remarks on Marine and Pumping Engines -	226

D

Davis, P., elected Member - - - - -	xli
Dauncey, H., Remarks on the Use of Iron and Steel in Building Construction . - - - - -	276
Dhunowree Works - - - - -	170
Dimension and Power of Machinery in Passenger Vessels - - -	67
Dimensions of Marine Boilers- - - - -	71
Donations to Library - - - - -	xxxi
Draught, Forced - - - - -	41
Duncan, A. J., Paper on an Automatic Hydraulic Governor - - -	245

	PAGE.
Duties of Cornish Pumping Engines - - - - -	217
Duties of Pumping Engines - - - - -	228
Duties of Worthington Pumps - - - - -	233
Dymond, E., Remarks on Electric Lighting of Sydney & Suburbs	152

E

Economy of Fuel - - - - -	64
Edgell, R. G., Remarks on Marine and Pumping Engines - -	226
Edison Electric Mains - - - - -	8
Election of Officers, Session 1891-92 - - - - -	xxxiv
Electric Lighting of Sydney & Suburbs, Paper by A. W. Tournay-Hinde	131
Electric Lighting of Sydney & Suburbs, Remarks by F. A. Franklin -	149
Electric Lighting of Sydney & Suburbs, Remarks by W. D. Cruickshank	150
Electric Lighting of Sydney & Suburbs, Remarks by J. O. Callender -	150
Electric Lighting of Sydney & Suburbs, Remarks by O. Haes -	150
Electric Lighting of Sydney & Suburbs, Remarks by E. Dymond -	152
Electric Lighting of Sydney & Suburbs, Remarks by H. Brain -	155
Electric Lighting of Sydney & Suburbs, Remarks by J. S. Fitzmaurice	158
Electric Mains, Resistance of - - - - -	37
Electric Main's, Interior Conduit and Insulation Company's -	36
Electric Mains, Cost of - - - - -	32
Electric Mains, Edison - - - - -	8
Electric Mains, Ferranti - - - - -	9
Electric Mains, Berthoud-Borel Company's - - - - -	11
Electric Mains, Fowler-Waring Company's - - - - -	10
Electric Mains, Siemens Company's - - - - -	10
Electric Mains, Callender Company's - - - - -	12
Electric Mains, Patterson Company's - - - - -	10
Electric Mains, Norwich Wire Company's - - - - -	10
Electric Mains, Crompton Company's - - - - -	17
Electric Mains, Professor Kennedy's - - - - -	18
Electric Mains, St. James' Electric Supply Company - - -	18
Evaporative Efficiency of Boilers - - - - -	127
Evaporative Test, by H. V. Ahrbecker and A. Christie - -	121
Evaporative Test, by J. S. Fitzmaurice - - - - -	123
Excursion to Long Bay Suspension Bridge - - - - -	xlviii
Excursion to H.M. Ships, "Mildura" and "Karrakatta" - -	xlviii
Excursion to Mort's Dock and Engineering Company's Works -	xlix
Excursion to Manly Water Works - - - - -	xlix

	PAGE.
Excursion to Technical College - - - - -	xlix
Excursion to Sewerage Outfall Works, Arncliffe - - - - -	xlix

F

Feed Heating - - - - -	56
Ferranti Electric Mains - - - - -	9
Fischer, G. Remarks on Underground Electric Light Mains - - - - -	36
Fischer, G., elected President - - - - -	xxxiv
Fitzmaurice, J. S., Remarks on Electric Lighting of Sydney & Suburbs - - - - -	158
Fitzmaurice, J. S., Remarks on Underground Electric Light Mains - - - - -	27
Fitzmaurice, J. S., Remarks on the Priestman Oil Engine - - - - -	187
Fitzmaurice, J. S., Remarks on Marine Engineering during the past decade - - - - -	122
Forced Draught - - - - -	41
Fowler-Waring Company's Electric Mains - - - - -	10
Franklin, F. A., Paper on the Ganges Canal, Upper India - - - - -	163
Franklin, F. A., Remarks on Electric Lighting of Sydney & Suburbs - - - - -	149
Fresh Water, Auxiliary Supply of - - - - -	57
Frew, D., elected Member - - - - -	xl
Friction in Pumps- - - - -	235
Fuel, Economy of - - - - -	64

G

Ganges Canal, Upper India, Paper by F. A. Franklin - - - - -	163
Ganges Canal, Upper India, Remarks by H. Broderick - - - - -	177
Ganges Canal, Upper India, Remarks by A. D. Nelson - - - - -	177
Ganges Canal, Upper India, Remarks by J. B. Henson - - - - -	177
Ganges Canal, Upper India, Remarks by T. W. Seaver - - - - -	177
Gibson, J. W., elected Associate - - - - -	xxxvi
Grimshaw, J. W., Remarks on Marine and Pumping Engines - - - - -	223
Gundlach, R. L., elected Member - - - - -	xxxvi
Gun-metal, Strength of, at high temperatures - - - - -	55

H

Haes, O., Remarks on Electric Lighting of Sydney & Suburbs - - - - -	150
Hargrave, L., elected Member of Council - - - - -	xxxiv
Haycroft, J. I., Remarks on the Use of Iron and Steel in Building Construction - - - - -	269
Henderson, J., elected Member - - - - -	xl
Henson, J. B., elected Vice-President - - - - -	xxxiv
Henson, J. B., Remarks on Ganges Canal, Upper India - - - - -	177

PAGE.

Honorary Members, List of	xxix
Houghton, T. H., Remarks on Marine and Pumping Engines	227
Howarth, A. M., Remarks on the Use of Iron and Steel in Building Construction	272
Hydraulic Governor, Automatic, Paper by A. J. Duncan	245
Hydraulic Governor, Automatic, Remarks by A. W. Tournay-Hinde	254
Hydraulic Governor, Automatic, Remarks by H. W. Kerle	257
I	
Incorporation, Act of	vii
Interior Conduit and Insulation Company's Electric Mains	36
Iron and Steel in Building Construction, Paper by J. W. Ashcroft	258
Iron and Steel in Building Construction, Remarks by J. I. Haycroft	269
Iron and Steel in Building Construction, Remarks by A. M. Howarth	272
Iron and Steel in Building Construction, Remarks by H. Dauncey	276
Iron and Steel in Building Construction, Remarks by W. D. Cruickshank	277
Iron and Steel in Building Construction, Remarks by R. Pollock	277
Irons, T., Remarks on Marine and Pumping Engines	237
Irrigation, Advantages of, in India	175
J	
Jones, W. A., elected Member	xxxvi
K	
"Karrakatta," H.M.S., Excursion to	xlviii
Kerle, H. W., Remarks on Automatic Hydraulic Governor	257
Kidd, Hector, Remarks on Marine Engineering during the past decade	111
Kennedy's, Professor, Electric Mains	18
L	
Library, Donations to	xxxi
List of Associates	xxx
List of Honorary Members	xxix
List of Members	xxv
M	
Macbeth, A. M., elected Member	xliv
Maquarie, W. E., elected Member	xl
Machinery, Refrigerating	129
Machinery, Weight of, per Horse-power	105

	PAGE.
Machinery, Dimensions and Power of, in Passenger Vessels -	67
Manly Water Works, Excursion to - - - -	xlix
Mannesmann Steel Tubes - - - -	55
Marine Boilers - - - -	44
Marine Boilers, Dimensions of - - - -	71
Marshall, A. D., Remarks on Marine Engineering during the past decade - - - -	116
Mechanical Efficiency of the Steam Engine - - - -	189
Mechanical Efficiency of the Oil Engine - - - -	186
Meeting, Annual - - - -	xxxiii
Members, List of - - - -	xxv
"Mildura," H.M.S., Excursion to - - - -	xlvi
Minneapolis Street Railway - - - -	96
Monier System of Construction - - - -	270
Mort's Dock Company's Specification for Waverley Pumps - - - -	221
Mort's Dock and Engineering Company's Works, Excursion to - - - -	xlix
Myapore Dam and Regulator - - - -	167
N	
Nangle, J., elected Member - - - -	xlii
Nelson, A. D., elected Member of Council - - - -	xxxiv
Nelson, A. D., Remarks on Ganges Canal, Upper India - - - -	177
Nicolle, W. E. H., elected Member of Council - - - -	xxxiv
Norwich Wire Company's Electric Mains - - - -	10
"Notes on the Use of Iron and Steel in Building Construction," Paper by J. W. Asheroft - - - -	258
O	
Oil Engine, Priestman's - - - -	181
Oil Engine, Mechanical Efficiency of - - - -	186
Original Communications, Session 1891-92 - - - -	xli
P	
Patterson Company's Electric Mains - - - -	10
Pipes, Steam - - - -	53
Piston Valves - - - -	51
Pollock, R., Remarks on Marine Engineering during the past decade - - - -	125
Pollock, R., Remarks on Marine and Pumping Engines - - - -	235
Pollock, R., Remarks on the Priestman Oil Engine - - - -	190
Priestman Oil Engines, Paper by D. C. Selman - - - -	181

	PAGE.
Priestman Oil Engines, Remarks by J. S. Fitzmaurice	187
Priestman Oil Engines, Remarks by W. D. Cruickshank	189
Priestman Oil Engines, Remarks by R. Pollock	190
Propellers, Screw	58
Propellers, Twin Screw	61
Proposed Exhibition	xlvii
Pumping Engines, Duties of	228
Pumping and Marine Engines, Paper by N Selfe	192
Pumping and Marine Engines, Remarks by L. C. Auldjo	211
Pumping and Marine Engines, Remarks by A. Christie	214
Pumping and Marine Engines, Remarks by J. Trevor-Jones	223
Pumping and Marine Engines, Remarks by J. W. Grimshaw	223
Pumping and Marine Engines, Remarks by R. G. Edgell	226
Pumping and Marine Engines, Remarks by W. D. Cruickshank	226
Pumping and Marine Engines, Remarks by T. H. Houghton	227
Pumping and Marine Engines, Remarks by R. Pollock	235
Pumping and Marine Engines, Remarks by T. Irons	237
Pumps, Friction in	235
Pumps, Riedler	225
Pumps, Centrifugal	53
Puttree Super Passage	169

R

Receipts and Expenditure, 1891-92	li
Refrigerating Machinery	129
Riedler Pumps	225
Report, Annual	xlv
Resistance of Electric Mains	37
Review of Marine Engineering during the past decade, Paper by A. Blechynden	40
Review of Marine Engineering during the past decade, Remarks by Hector Kidd	111
Review of Marine Engineering during the past decade, Remarks by I. C. Auldjo	116
Review of Marine Engineering during the past decade, Remarks by A. D. Marshall	116
Review of Marine Engineering during the past decade, Remarks by A. Christie	116
Review of Marine Engineering during the past decade, Remarks by J. S. Fitzmaurice	122

	PAGE.
Review of Marine Engineering during the past decade, Remarks by R. Pollock - - - - -	125
Review of Marine Engineering during the past decade, Remarks by W. D. Cruickshank - - - - -	125
Roorkee - - - - -	173
Rules and By-laws - - - - -	xiii
Rules and By-laws, Appendix to - - - - -	xxi
Ryde Pumps, Particulars of - - - - -	209
Ryde and Waverley Pumps, Comparison of - - - - -	210

S

Sands, J., elected Honorary Treasurer - - - - -	xxxiv
Screw Propellers - - - - -	58
Seaborn, F. R., elected Student - - - - -	xxxix
Seaver, T. W., Remarks on Ganges Canal, Upper India - - - - -	177
Selfe, N., Paper on Pumping and Marine Engines - - - - -	192
Selman, D. C., Paper on the Priestman Oil Engine - - - - -	181
Sewerage Outfall Works, Arncliffe, Excursion to - - - - -	xlix
Shellshear, W., elected Member of Council - - - - -	xxxiv
Siemens Company's Electric Mains - - - - -	10
Solani Aqueduct, The Great - - - - -	171
Specification for Waverley Pumps, Mort's Dock Company's - - - - -	221
Steamers, Trials of - - - - -	72
Steam Engine, Mechanical Efficiency of - - - - -	189
Steam Pipes - - - - -	53
Steel Tubes, Mannesmann - - - - -	55
St. James' Electric Supply Company's Electric Mains - - - - -	18
Street Railway, Minneapolis - - - - -	36
Strength of Gun-metal at high temperatures - - - - -	55
Suspension Bridge, Excursion to Long Bay - - - - -	xlvi

T

Table of Coal Consumption - - - - -	74
Table of Twin Screw Passenger Vessels - - - - -	62
Table of Dimensions of Triple Expansion Engines - - - - -	68
Technical College, Excursion to - - - - -	xlix
Tenders for Waverley Pumps - - - - -	208
Test, Evaporative, by H. V. Ahrbecker and A. Christie - - - - -	121
Test, Evaporative, by J. S. Fitzmaurice - - - - -	123
Threlfall, Professor, Remarks on Underground Electric Light Mains - - - - -	25

	PAGE.
Tournay-Hinde, A. W., Remarks on Underground Electric Light Mains	25
Tournay-Hinde, A. W., Remarks on Automatic Hydraulic Governor	254
Tournay-Hinde, A. W., Paper on Electric Lighting of Sydney & Suburbs	130
Trevor-Jones, J., Remarks on Marine and Pumping Engines	223
Triple Expansion Engines, Dimensions of	68
Triple Expansion Engines, Weight of	69
Trials of Steamers	72
Twin Screw Propellers	61
Twin Screw Passenger Vessels, Table of	62

U

Underground Electric Light Mains, Paper by J. O. Callender	1
Underground Electric Light Mains, Remarks by H. Whiffen	24
Underground Electric Light Mains, Remarks by Professor Threlfall	25
Underground Electric Light Mains, Remarks by A. W. Tournay-Hinde	25
Underground Electric Light Mains, Remarks by J. S. Fitzmaurice	27
Underground Electric Light Mains, Remarks by G. Fischer	36

V

Valve Gear	52
Valves, Piston	51
Vicars, J., elected Member	xl

W

Waverley Pumps, Tenders for	208
Weight of Machinery relatively to Power	63
Weight of Triple Expansion Engines	69
Weight of Machinery per Horse-power	105
Whiffen, H., Remarks on Underground Electric Light Mains	24
Williamson, A. F., elected Member	xl
Worthington Pumps, Duties of	233
Worthington Pumps, Crown Street Station	209

LIST OF PLATES.

	PLATE.
Automatic Hydraulic Governor	XXXII
Electric Lighting of Sydney and Suburbs	XVII

	PLATE.
Ganges Canal, Upper India - - - -	XVIII to XXVIII
Iron and Steel in Buildings - - - -	XXXIII to XXXVI
Marine Engineering - - - - -	VII to XVI
Pumping Machinery - - - - -	XXIX to XXXI
Underground Electric Light Mains - - - -	I to VI
